# PROMISE KEEPERS ANONYMOUS

by Darrel Spent

*Are YOU one of the unfortunate many who have been swept up in the exponential, experiential, HORMONAL TSUNAMI of the PK movement?*

*Does an overpowering SPIRIT OF CAMARADERIE, engendered by masses of Christian brethren, ineluctably evoke UNWITTING CONFESSIONS of hidden sin, placing YOU in unfortunately COMPROMISING POSITIONS of accountability towards them? Is YOUR wife and children's newfound respect, at first pleasurable, now becoming STRANGELY HAUNTING AND BURDENSOME?*

*Is having MORE RESPONSIBILITY really what YOU were after when you went to that big guy-filled football stadium in the city?*

*Have YOU grown WEARY of founder Bill McCartney's constant LOONY AND IRRITABLE BADGERING?*

*Are YOU no longer as hugely impressed as once you might have been by CHUCK Swindoll riding a Harley up onto said stadium stage?*

*Has the challenge of channeling YOUR "God-ordained SEXUALITY" through PK's STIFLING parameters and NARROW guidelines grown CUMBERSOME?*

If your answer is "yes" to any of the above (or "no" — you'll get there), have we got a word for you:

## **PROMISE KEEPERS ANONYMOUS.**

Actually, that's three. But that's okay since you're probably used to crowds. And these are just words, not shouting, sweating, stinking, HUGGING, Bible-believing "male warriors."

Come to us here at PKA —our arms are wide open. But we don't hug and we're not HAIRY. We are forgiving; we are not judgmental; we are accepting; we are encouraging. We understand this "wholesome" predicament you have gotten yourself into — NAZI Germany started the same way.

How can a VIRILE, red-blooded American male expect to be so quickly and easily confined to such cramped spiritual quarters? You were born FREE; remain FREE. Here at PKA we will reach you, teach you, deprogram you, enable you to become once again the sort of masculine FREE AGENT you were destined to be before the PK nightmare took over. And all in the strictest confidence. Total anonymity. No wide open stadium here.

You will learn, among other things (and for the lowest of premiums), mottoes to live by, including the following:

- make no promises; break no promises.
- when in doubt, run.
- your word is your subterfuge.
- what others don't know, won't hurt them.
- divorce is a blessing of the law.
- a happy wife is a boring wife.
- commitments are like dairy products — they all have an expiration date.
- a lie well spoken is balm to the ears.
- there's only one stage of manhood (contrary to PK's six: creational, phallic, warrior, wounded male, mature man, and sage) and it's the one you're in.
- a practicing homo is an honest homo.
- you say abomination; I say confirmation.
- have a lover, leave a lover; need a lover, take a lover.
- the only good promise is the one not made.
- go ahead, keep your promises, Jesus Boy!
- life is for freedom; hell is for commitment.
- a woman in need is a woman in deed.
- faith is like pantyhose — scratch it and it runs.
- truth is like television — if you don't like it, change the channel.

All this and much more at **PROMISE KEEPERS ANONYMOUS**. Phone lines are "manned" 24 hours a day. Call **1-800-PKA-FREE**.

Operators are standing by. No hassles; no commitments. CASH only.
